

3248

Sihl DisplayPRO Latex C2S Film Satin

PRODUCT DESCRIPTION

3248 DisplayPRO Latex C2S Film is a stunningly versatile and effective POS/POP print media designed especially for Latex printers. It has been constructed with high quality tear resistant PET, and stabilized to be heat and humidity resistant ensuring predictably consistent quality imaging regardless of geographic location or climate. Surface treatment ensures an exceptionally low glare and scratch resistant surface. DisplayPRO 8mil qualifies as a class one recyclable product. Due to the exceptional durability it can be used indoors or outdoors, in roll-up banner stands, as free hanging signage and so much more. DisplayPRO 8mil also has the added benefit of printing double-sided if desired.
