3512
Fabric Banner Plus FR AQ 11 mil

PRODUCT DESCRIPTION

3512 Fabric Banner Plus FR AQ is 11 mil, block out, NFPA 701 certified, ultra durable, water resistant banner. The NFPA standard is a measure of flame propagation for textiles and films and is typically applied to curtains, draperies, and other hanging textiles. The broad color gamut achieved with Fabric Banner Plus' unique coating combined with its block out backing makes it the perfect choice for free hanging displays or high quality roll-up systems.
