

Product Guide

Multi-print Media

Versatile, high-quality media for interior and exterior marking and signage.

A True **REBEL**® Always Stands Out

Designed with our customers in mind, Mactac® REBEL® does it all...and then some.

- **Printability** – REBEL can be printed on multiple print platforms, including:
 - UV and solvent screen printing
 - Solvent, eco-solvent, latex printing
 - UV inkjet, flexo and offset printing
 - Jetrion printing
 - Thermal transfer printing
- **Versatility** – Available in bright white, matte and clear finishes, REBEL comes in a variety of roll sizes and widths, custom rolls and sheets available upon request.
- **Capability** – Covered by the Mactac Open-Image WarrantySM to guarantee compatibility and durability, REBEL features a 90# SuperflatTM liner.
- **Opacity** – 99% opacity is built into REBEL's RB500 Series high-performance facestock, therefore eliminating pigment interference to ensure pure adhesion to the substrate.
- **Quality** – Consistently good quality, priced with value, and warranted with leading third party screen ink manufacturers
